Easy Internet Sign-up, the easy way to find an ISP!

Do you ever wish there were a quick way to get online with quality ISPs* (Internet Service Providers) that work with your PC? Have you wondered how leading ISP offers compare with one another? The Easy Internet Sign-up program can help you decide.

With your purchase of a Compaq PC, you are entitled to take advantage of special Internet access offers. Easy Internet Sign-up arranges pre-selected ISP offers in easy-to-view categories, making it simple to compare options and to sign up for a new ISP account or transfer an existing one.

Click  on your PC desktop or

Go to: **Start/All Programs/Online Services/Easy Internet Sign-up**

*Applicable only to ISPs that HP has partnered with.
